Employees can donate a minimum of 3 days up to a maximum of 10 days annually.

FAMILY AND MEDICAL LEAVE ACT

The Family and Medical Leave Act entitles eligible employees to take paid or unpaid, job protected leave for specified family and medical leave reasons with continuation of group health insurance coverage.

Employees who have been employed for at least (1) year and for at least 1,250 hours during the preceding 12-month period are eligible for FMLA leave. Regular Full-time and Part-time employees who meet the applicable time-of-service requirements, may be granted a total of twelve (12) weeks of FMLA Leave during a 12-month period, (for part time employees eligible FMLA hours will be prorated based on their part time schedule). Once the staff member has met eligibility requirements, FMLA will start immediately and will run concurrent with EIB and PTO. FMLA allows for 12 weeks of job protected leave. Any Leave of Absence (LOA) requests beyond that period must be reviewed and approved by the unit manager and Human Resources. For questions regarding eligible accommodations under FMLA, please contact Tricia Tice, Director of Payroll & Benefits at Ext: 8548.

PARENTAL LEAVE POLICY

Employees who have completed six months of service at Excelsior College are eligible for the new parental leave policy. NEW YORK STATE PAID FAMILY LEAVE

The New York Paid Family Leave is a law that covers employees who live and work in New York State. It provides them with income, job protection and continuation of health benefits (when applicable) for employees who take a qualified leave (maximum 12 weeks for 2021). This benefit is funded by the employees and the contribution rate for 2021 is 0.511% of employee weekly wages and is capped at 67% of the current statewide average weekly wage of \$1,450.17 per week (or \$971.61 maximum benefit.)

SHORT TERM DISABILITY GAP COVERAGE

The College provides reasonable income protection for employees who experience a short-term disability and do not have sufficient accrued EIB and/or PTO to cover the duration of an absence as the result of a disability. Employees that have been employed at the College for at least 6 months are eligible for Gap coverage. Gap coverage begins after EIB and PTO has been exhausted. It will cover employees for up to 6 months from the time the disability period first started and provide employees with 60% of their base salary compensation up to \$1,000 of taxable earnings per week until short-term disability ends, or long-term disability begins.

GROUP LONG-TERM DISABILITY INSURANCE

This coverage is funded by Excelsior College and provided by CIGNA at no cost to all active employees who work a minimum of 17.5 hours/week. After a 180-day (6 month) waiting period, a disabled employee is eligible to collect the lesser of 60 percent of their monthly earnings or the maximum disability benefit of \$6,000 per month.

ADDITIONAL LEAVE POLICIES

Please refer to the Employee Handbook for a full listing of federal and state regulated leave policies.

STANDALONE INSURANCE PLANS

Things you should know:

- All medical, dental and vision plans are standalone plans, meaning you can choose the plan(s) you wish to enroll in.
- Excelsior College recognizes both same and opposite sex domestic partnerships with proof of eligibility. Domestic partnerships, however, may be subject to IRS imputed income regulations as the federal government **does not** recognize domestic partnerships, from a tax-advantage perspective.
- Mid-year elections, both adding and/or dropping coverage, pre-tax benefits are subject to IRS Code 125 cafeteria plan rules that states a qualifying event must accompany any mid-year election. While an employee can terminate coverage at any time, if a qualifying event is not present, the pre-tax deduction must still be deducted from the employees bi-weekly pay for the remainder of the calendar year. For a full list of qualifying events, please contact Human Resources.

MEDICAL INSURANCE

Option #1 - Empire Total Blue Plan (HRA)

The HRA plan utilizes a high deductible, Health Reimbursement Account that is funded in part by the College. The individual deductible is \$2,000 and the two-person or family plan is \$4,000. The College will pay the first 85% of the deductible, once this has been met, the employee will be responsible for the remaining 15%. There will be **no** out-of-pocket cost for copayments for covered medical, physician or hospital charges **until after these limits are met**. After the deductible has been met, the plan has traditional copayments described in the plan document. The plan **does require you to use an Empire BlueCross provider**. However, this plan does give you a national provider network through the BlueCard Network. Prescriptions will have copayments beginning the first day of your eligibility date. There is a \$100.00 (individual)/\$250.00 (two person or family) deductible on Tier 2 and Tier 3 prescriptions per year. There is no deductible on generics.

Option #2 - Empire Preferred Provider Organization (PPO) Plan

This is a traditional PPO plan that provides provider-based coverage and outside the network coverage. Copayments start from day one of the plan year for all coverage including prescriptions. There is a deductible and coinsurance for out-of-network coverage which you will be required to pay, because there is no Health Reimbursement Account funding for this option. This plan also includes the BlueCard Network.

VISION INSURANCE

Vision coverage is offered through **Empire Blue View Vision**. Coverage is effective on the date of hire. Children/ dependents are covered until age 26 (the end of the month in which they turn 26,) regardless of student status.

Please note: Empire will send new enrollees one card that will be used for both their Health and Vision coverage.

DENTAL INSURANCE

Dental insurance is offered through Delta Dental. Coverage is effective on the date of hire. Children/ dependents are covered until age 26 (the end of the month of which they turn 26,) regardless of student status.
